For our westpac and Philippine friends, We're heading into a pretty big shift in 2026, going from ENSO-neutral conditions into what looks like a strong — possibly even super — El Niño.

Simply put, that means warmer than average sea surface temperatures in the eastern Pacific compared to the west. And yeah, that has some big implications for typhoon season.

So what does this mean for the Western Pacific?

🔷 Typhoon formation tends to shift further east — out near Micronesia and east of Guam
🔷 The Philippines may see fewer storms overall… but NOT zero
🔷 Storms that do form can become stronger due to longer time over water
🔷 Generally drier conditions expected, especially early in the season

But here's the catch — once the southwest monsoon (Habagat) kicks in, those passing systems near Japan can actually enhance rainfall along the west coast of the Philippines. So it can go from dry… to suddenly very wet.

Looking back at past El Niño years — we've seen some absolute monsters:
Typhoon Tip (1979), Megi (2010), and even Yolanda (2013) all developed in or near El Niño conditions.

So yes, trends matter… but remember:
👉 It only takes ONE storm to make it a bad season.

On average, the Western Pacific still sees:
• 25–26 named storms
• 17 typhoons
• 8–9 super typhoons

So even in an El Niño year, activity doesn't shut down — it just shifts.

2026 April 21 10:14:16

• 25–26 named storms
• 17 typhoons
• 8–9 super typhoons

So even in an El Niño year, activity doesn't shut down — it just shifts.

Bottom line: fewer storms hitting the Philippines on average, but potentially stronger systems and changing rainfall patterns.

As always — no hype, just the facts. Stay weather aware 👍🌏

EL NIÑO
NOTABLE TYPHOONS DURING EL NIÑO YEARS
El Niño shifts typhoon activity eastward, increases the chance of recurving tracks, and allows storms more time over warm ocean waters to intensify.
Fewer landfalls in the Philippines, but often stronger and longer-lived storms.
TYPHOON AVERAGE TRACKS DURING EL NIÑO
FEWER SYSTEMS FORM NEAR THE PHILIPPINES
MORE TYPHOON FORMATION FARTHER EAST
1 SUPER TYPHOON TIP (1979)
Record lowest pressure: 870 mb – the lowest ever recorded
Largest tropical cyclone ever observed
Formed far east and tracked northwest toward Japan
Classic long-track, open-ocean intensification during El Niño patterns.
2 SUPER TYPHOON YURI (1991)
Estimated winds: ~285 km/h (175 mph)
Formed well east of the Philippines
Deep ocean heat + longer track = stronger storms.
3 TYPHOON PAKA (1997)
Struck Guam on Christmas during the 1997–98 Super El Niño
One of the strongest typhoons to hit Guam
El Niño shifted activity east – Guam became a direct target.
4 SUPER TYPHOON MAEMI (2003)
One of the strongest typhoons to strike South Korea
Classic recurving track northward
El Niño increases threats to Japan and Korea vs. the Philippines.
5 SUPER TYPHOON IOKE (2006)
One of the longest-lived and most intense storms on Earth
Stayed over open water for many days
Textbook El Niño-style long-track, high-end storm.
6 TYPHOON MEGI (2010)
One of the strongest landfalls in Luzon
~230 km/h (145 mph) at landfall
Even in El Niño, the Philippines is NOT immune.
7 SUPER TYPHOON HAIYAN (YOLANDA, 2013)
Among the strongest landfalls ever recorded
Catastrophic storm surge in Tacloban
Even during El Niño conditions, one storm can define a season.
THE BIG PICTURE
FORMATION SHIFTS EAST
More storms form near or east of the Date Line. Fewer form in the South China Sea and near the Philippines.
MORE RECURVATURE
Weaker or shifted subtropical ridge leads to earlier turns north toward Japan or the open ocean.
STRONGER POTENTIAL
Storms have more time over deep warm waters to intensify. Higher odds of major typhoons.
PHILIPPINES RAINFALL
Drier overall with fewer direct hits, but rain still comes from shear lines, amihan surges, and orographic lift.
LESS LANDINGS, NOT NO RISK
Fewer landfalls in the Philippines, but one well-placed storm can still be devastating.

BREAKING: The is a growing expectation that the Golden State Warriors are parting ways with Head Coach Steve Kerr.

Kerr's two-year, $35 Million dollar extension signed in 2024 has officially expired. He has expressed a desire to remain with Stephen Curry stating, "I would never walk away from Steph," but noted that a "collaborative decision" with Joe Lacob and Mike Dunleavy Jr. is needed.

Kerr acknowledged the uncertainty of his return, stating that coaching jobs have an "expiration date" and that he needs time to "reconvene" with ownership.

'ALAM N'YO PALANG MAGNANAKAW, EH'

Bumuwelta ang content creator na si Gabe Pineda sa pagbatikos ni Davao City Mayor Sebastian "Baste" Duterte sa ama ni Pangulong Ferdinand R. Marcos Jr. na si dating pangulong Ferdinand E. Marcos Sr., na tinawag ng alkade na "kawatan."

Kinuwestiyon ni Pineda ang naging pagsuporta ng pamilya Duterte sa nakababatang Marcos, na nakatandem pa ng kapatid ni Mayor Baste na si Vice President Sara Duterte noong 2022 elections, kung saan parehong nagwagi ang tinaguriang "UniTeam."

TINGNAN: Tuloy-tuloy ang konstruksyon ng retention at detention ponds sa Quezon Memorial Circle na magsisilbing park at flood control solution pa.

Kaya raw mag-imbak ng daan-daang cubic meters ng tubig ang proyekto para makatulong sa pagbawas ng pagbaha sa lungsod, lalo na ngayong papalapit ang tag-ulan.

CONVERSATIONS AND CULTURE

This morning, before heading to the office for our session, naghapit anay ako sa San Enrique kaupod si Mr. Emerson Franco, Tourism Officer sang Anilao, agod pamasyaran si Dr. Jose J. Patubo, Tourism Officer sang San Enrique. Naisturyahan namon ang palapit nga kapistahan sang amon duwa ka banwa sa Mayo.

But May is not just for fiestas. It is also a time to celebrate National Heritage Month and our rich cultural heritage. So our conversation naturally turned to Ilonggo folk dances as part of our intangible heritage. I observed that many of our youth today are not familiar with the dances of their own towns. At the same time, I have heard time and again that many young people are eager to learn about our local traditions when given the opportunity. I am not an expert in folk dances, so I asked questions to learn more. But what I do know is that it is important for our youth to have access to knowledge of their heritage.

Honestly, I didn't even know about Bucasoy of Alimodian, Cariñosa of San Joaquin, Kuratsa Zarraga of Zarraga, or Bien Prado of Janiuay, kag madamo pa. Very interesting, kag basi may mga kabataan man nga gusto magtuon upod sa akon.

I learned a lot from this short but meaningful discussion. It was also a reminder that culture needs to be kept alive, talked about, and passed on.

Madamo guid nga salamat sa matam-is nga pamahaw kag sa makabulusog nga isturyahanay, Doc JJ.

'NO TRAVEL BAN, NO FREEZE ORDER, NO FILED CASE'

Naglabas ng pahayag si Atty. Ade Fajardo, spokesperson at abogado ni 1st District Leyte Rep Martin Romualdez, kasunod ng mga pahayag ni Ombudsman Boying Remulla tungkol sa kongresista.

Ayon kay Atty. Fajardo, immigration lookout bulletin order lang ang inilabas laban kay Romualdez. Hindi umano nito pinagbabawalan ang kongresista na bumiyahe, at nangangahulugan lamang na kailangan ng "prior coordination" sa awtoridad.

Dagdag ng abogado, kinakailangan munang maghain ng pormal na application ng Anti-Money Laundering Council (AMLC) sa Court of Appeals (CA) para sa freeze order.

Matatandaang sinabi ni Ombudsman Remulla na hindi nila pinayagan ang hiling ni Romualdez na lumipad patungong Singapore para sa isang checkup. Hinihintay na rin umano ng Office of the Ombudsman na maghain ang AMLC ng freeze order para sa assets ng kongresista. I via Marianne Enriquez

'MY NAME IS NOT 'NAME WITHHELD'

Erwin Ken Angcual Parchaso, the March 2026 topnotcher of the Physician Licensure Examination, finally spoke up after days of online buzz over the “Name Withheld” entry when the Professional Regulation Commission first released the exam results.

Though he did not disclose specific details behind the withheld name, Parchaso shared his inspiring journey, revealing that he was a third-time retaker who spent 10 years pursuing his dream of becoming a licensed doctor.

He recalled failing his first two attempts while starting a family, and on his third try, he was devastated after not seeing his name on the list, only to later discover that the “Name Withheld” he blamed was actually his own name.

"I was crying outside our house. I saw that the topnotcher was "Name Withheld" and under investigation. Sabi ko, 'Siya siguro ang rason bakit hindi ako pumasa. Hindi ako pasok sa curve dahil sa kanya. Buti nga sa kanya! Under investigation siya," Parchaso said.

"13-year-old me is freaking out. cried when we sat down... wwe meant the world to me growing up, so getting to witness the grandest stage of wrestling is something i still can’t fully grasp," he wrote.

🚨 Full blast ang DDS Network sa messaging nila against opening Sara Duterte's bank accounts to preempt tomorrow. Pero wala na makakapigil bukas dahil ang mga ITR and bank records eh nasa kamay na ng House of Rep at ni Ombudsman. Bloodbath 2!

BABALA: HUWAG PO NATING PUTULIN ANG ROSARYO NA HAWAK NG NAMAYAPA

Makikita natin noong inihimlay si Pope Francis noong nakaraang taon, na siya ay may hawak na Rosaryo—at ito ay nanatiling buo, hindi pinutol, hindi sinira. Isa itong malinaw na paalala na ang Rosaryo ay hindi basta bagay lamang, kundi isang banal na tanda ng pananampalataya na dapat igalang, kahit sa oras ng kamatayan.

Sa maraming bahagi ng Pilipinas, may nakagawian na putulin o sirain ang rosaryo ng yumao, na sinasabing paraan upang “hindi na sila balikan” o upang maputol ang koneksyon sa mundo ng mga buhay. Ngunit ang ganitong paniniwala ay walang batayan sa turo ng Simbahang Katolika. Sa halip, ito ay isang pamahiin na unti-unting naipasa sa kultura, ngunit hindi nakaangkla sa tunay na pananampalataya.

Ang Santo Rosario ay sumasagisag sa ating malalim na ugnayan kay Hesukristo at sa Mahal na Birheng Maria. Sa bawat butil nito ay nakaangkla ang mga misteryo ng buhay ni Hesus—ang Kanyang pagsilang, paghihirap, kamatayan, at muling pagkabuhay. Ito ay panalangin ng pag-asa, ng pagtitiwala, at ng pag-ibig. Kaya naman ang pagputol nito ay tila pagsira rin sa simbolo ng pananampalatayang pinanghawakan ng yumao habang sila’y nabubuhay.

Sa halip na putulin ang rosaryo, mas nararapat na hayaan itong manatiling buo bilang tanda na ang pananampalataya ng yumao ay hindi nagwawakas sa kamatayan. Ang rosaryong hawak nila ay nagsisilbing patunay ng kanilang debosyon—isang tahimik ngunit makapangyarihang pahayag na sila ay namuhay at namatay na may tiwala sa Diyos.

2026 April 21 19:20:06

Ang kamatayan ay hindi wakas, kundi simula ng buhay na

Diyos.

Ang kamatayan ay hindi wakas, kundi simula ng buhay na walang hanggan. At sa paglalakbay na iyon, ang rosaryo ay hindi hadlang, kundi gabay—isang paalala ng mga panalangin na minsang binigkas, at ng pananampalatayang patuloy na nabubuhay.

Kaya't huwag nating putulin ang rosaryo ng namayapa. Sa halip, igalang natin ito, panatilihing buo, at hayaang magsilbi bilang simbolo ng kanilang pananampalataya—isang pananampalatayang hindi kailanman dapat sirain, kundi ipagpatuloy ng mga naiwan.

SEN. KIKO RESPECTS MAYOR LENI'S DECISION, URGES UNITY FOR GOOD GOVERNANCE

Bagaman nirerespeto ni Sen. Kiko Pangilinan ang desisyon ni Naga City Mayor Leni Robredo na hindi tumakbo sa national post sa 2028 elections, naniniwala ang senador na makababuti sa interes ng bansa sakaling magbago ang pasya ng dating bise.

Paliwanag ni Pangilinan, base sa tumataas na poll numbers ni Robredo, nasa pinakamabuting posisyon si alkalde na makabuo ng pinakamalakas na alyansa sa susunod na eleksyon.

"We must forge the broadest unity possible for the cause of good governance and win this for our people and work together for a better future for our children," dagdag ng senador.

Matatandaang nagsilbing running mate ni Robredo si Pangilinan noong 2022 elections.

The Ministry of Justice of the Czech Republic said it is currently coordinating with the Ministry of the Interior and Czech police.

"Until the current status of the case is verified, we cannot provide information," according to Mgr. Markéta Andrová of the Press Department of the Ministry of Justice of the Czech Republic.

Earlier, Czech authorities won't comment on the reported detention of former Ako Bicol Rep. Zaldy Co, who, according to top Philippine officials, was detained in the Czech Republic after being stopped at the German border on Thursday.

Colonel PhDr. Ondrej Moravcík, Head of the Press Department of the Police of the Czech Republic, said the Czech police may not give information on any "specific case." He added that the Czech Ministry of Justice may comment on the matter.

The Directorate of the Foreign Police Service also referred GMA News to the MOJ for comments.

OMBUDSMAN REMULLA, KINUHA ANG SALN NI REP. PAOLO DUTERTE AT NG LAHAT NG KONGRESISTA

Ibinunyag ni Ombudsman Jesus Crispin "Boying" Remulla na hindi lamang Statement of Assets, Liabilities and Net Worth (SALN) ng mga mambabatas na sangkot umano sa anomalya sa flood control ang kinuha niya.

Sa isang panayam, sinabi ni Remulla na ang mga SALN ng lahat ng mambabatas ay pinakuha niya upang suriin.

Kasama rito pati narin ang SALN ni Davao City Rep. Paolo Duterte.

“Pinakuha ko na lahat, lahat ng members of Congress. Sabi ko lahatin n’yo na,” ani Remulla.

Ipinag-utos rin ni Remulla na lahat ng request para sa SALN ay dapat munang dumaan sa kanya.

“Sabi ko sa Ombudsman office lahat ng request n’yo sa legislative offices sa akin n’yo padaanin kasi hindi lahat kayo nagsa-subpoena, lahat padaanin sa akin para ma-acknowledge ko,” wika niya.

“Para walang power play sa ilalim. Dapat diyan talaga institutional tsaka professional. Hindi puwedeng mag-power trip,” dagdag pa niya.

BREAKING NEWS: Leyte Representative Martin Romualdez rejected what he described as efforts to shift the blame onto him in the middle of ongoing political issues.

"If this is a political play to push me out and close the story, tarnishing my name and my reputation, then I am telling everyone now: I will not go quietly, and I will not go alone. I will not be the fall guy for other people's corruption," Romualdez said in a video message.

Romualdez said he will not be used as a convenient way to end the controversy or to shield those who should be held accountable. He stressed that any move to stain his reputation for political purposes will not go unchallenged.

He also said he is ready to stand his ground and defend himself if needed.

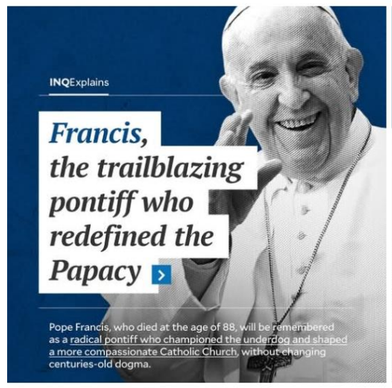
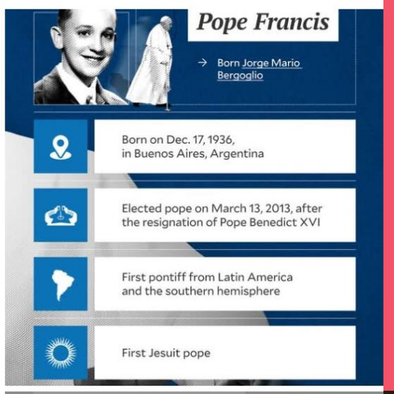
REMEMBERING LOLO KIKO 🤍

On Pope Francis' first death anniversary, April 21, let us honor the legacy of mercy and humility he left behind, which helped redefine the Catholic Church's global voice, championed the underdog, and led the faith with unwavering compassion.

Read about his visit to the Philippines in the link in our comments.

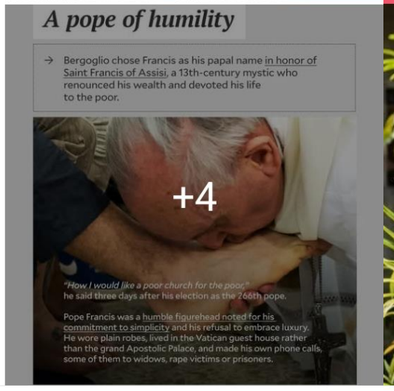


INQExplains
Francis, the trailblazing pontiff who redefined the Papacy
Pope Francis, who died at the age of 88, will be remembered as a radical pontiff who championed the underdog and shaped a more compassionate Catholic Church, without changing centuries-old dogma.



Pope Francis
Born Jorge Mario Bergoglio
Born on Dec. 17, 1936, in Buenos Aires, Argentina
Elected pope on March 13, 2013, after the resignation of Pope Benedict XVI
First pontiff from Latin America and the southern hemisphere
First Jesuit pope

The people's pope
The Argentine pontiff loved being among the people and was popular with the faithful, though he faced opposition from traditionalists within the Catholic Church for his progressive views.
Pope Francis was widely recognized for his strong advocacy for the marginalized and disadvantaged, focusing on issues such as poverty, climate change, and inequality.
He was also noted for being more accessible than his predecessors, engaging openly with young people and talking openly about his health.



A pope of humility
Bergoglio chose Francis as his papal name in honor of Saint Francis of Assisi, a 13th-century mystic who renounced his wealth and devoted his life to the poor.
+4
"How I would like a poor church for the poor," he said three days after his election as the 266th pope.
Pope Francis was a humble figurehead noted for his commitment to simplicity and his refusal to embrace luxury. He wore plain robes, lived in the Vatican guest house rather than the grand Apostolic Palace, and made his own phone calls, some of them to widows, rape victims or prisoners.

MARTIN ROMULADEZ HINDI NA MANANAHIMIK DAHIL IBUBULGAR NA DAW ANG KATOTOHANAN

Matapos ang ilang linggo ng pananahimik, nagsalita na si dating House Speaker at Leyte Rep. Ferdinand Martin Romualdez kaugnay ng mga alegasyong ibinabato sa kanya tungkol sa umano'y maanomalyang flood control project.

Sa isang video message, iginiit ni Romualdez na wala siyang itinatago, kaya't inatasan niya ang pagpapalabas sa publiko ng mga affidavit at iba pang dokumentong kanyang isinumite bilang patunay ng kanyang panig.

Kinuwestiyon din niya ang pagbansag sa kanya bilang "mastermind" ng kontrobersiya. Iginiit niya na mula't sapul ay naging bukas, cooperative, at boluntaryong nakipagtulungan sa mga awtoridad, kabilang ang ICI o Independent Commission for Infrastructure.

Ayon pa sa kanya, sa kabila ng kanyang pananahimik, tila ito ay inabuso at ginamit laban sa kanya upang idiin siya sa mga walang katotohanang naratibo at akusasyon.

Giit ng dating House leader, hindi siya magiging "scapegoat" para sa bagay na hindi niya ginawa, at handa niyang harapin ang mga kasong ipinupukol sa kanya.

"I will not keep quiet anymore. I will speak with facts because the truth deserved to be heard," sabi ni Romualdez.

I agree with him on one basic point: kung ganito kalaki at ganito kasistematiko ang anomalya, hindi ito kayang gawin ng iisang tao lang. Hindi puwedeng isang pangalan lang ang ipapako habang pinapalusot ang buong kadena ng mga taong posibleng sangkot sa pagbuo, pag-apruba, pagmamaniobra, at pagpapatupad ng mga proyektong may bahid ng korupsiyon. So yes, name names: kung may ebidensiya, habulin at kasuhan hindi lang si Martin Romualdez, kundi pati sina Chiz Escudero, Zaldy Co, mga opisyal ng DPWH, mga district engineers, mga undersecretary, at mga contractors na lumilitaw sa mga affidavit, testimonya, at imbestigasyon. Huwag selective. Huwag isang fall guy lang para may maihain sa publiko. Ilabas din ang Blue Ribbon Committee report at ang ICI report para makita ng taumbayan kung sino-sino talaga ang binabanggit, sino ang pinoprotektahan, at sino ang dapat managot. Hanapin kung sino ang nagpasok, sino ang pumayag, sino ang nag-implement, sino ang nag-procure, sino ang nag-certify, at sino ang nakinabang. Kung totoong seryoso tayo sa accountability, dapat buong network ng corruption ang binabaklas.

Purge the whole damn rot!

We fully understand what VP/Mayor Leni wants to accomplish for Naga and our fellow Bicolanos.

Pero tulad ng marami sa atin, including myself, umaasa talaga tayo na magbabago pa sya ng isip because for us, she's still the most winnable among the possible opposition candidates.

In the end, we leave it to VP/Mayor Leni. We trust her wisdom. Buo ang tiwala natin na nandyan lang sya palagi, handang tumugon sa tawag ng tungkulin para sa Naga at sa buong bansa.

'I BELIEVE THAT LENI IS IN THE BEST POSITION TO BUILD THE BROADEST AND STRONGEST UNITY'

Senator Kiko Pangilinan said that while he and the opposition respect Naga City Mayor Leni Robredo's decision to not run for a national post in 2028, he maintains that his then-running mate can establish the "strongest unity" with her rising poll numbers and lead the nation toward good governance.

"We respect her decision even as we disagree with it and believe that the national interest will be best served if at some future time she changes her mind and heeds the growing clamor of the people for her to lead the nation's fight for genuine service and good governance," he wrote in a Facebook post on Tuesday.

"Now more than ever, having witnessed the largest corruption scandal in Philippine history, our people are crying out for good governance, and public accountability. Now more than ever, all those who believe in meaningful change and honesty and integrity in our public institutions must come together, sacrifice our time and effort for the sake of a better future for our children," Pangilinan stressed.

Robredo earlier announced that she has no plans to seek a national position in the 2028 elections, as she intends to run for reelection as mayor.

We respect her decision even as we disagree with it and believe that the national interest will be best served if at some future time she changes her mind and heeds the growing clamor of the people for her to lead the nation's fight for genuine service and good governance.

Today, given her rising poll numbers, I believe that Leni is in the best position to build the broadest and strongest unity not just amongst the ranks of the Liberal Party and our allies but to include all other groups and personalities outside our allied forces who are also looking to participating in the 2028 Presidential elections.

As her poll numbers grow, so will the number of politicians and groups of various political colors and civil society/private sector groups throwing their support behind her. A snowballing of support behind her bid is quite possible.

With her at the helm going into 2028 and given her current poll numbers that are much higher now than in the run up to the 2022 Presidential elections, a formidable coalition, far broader and more inclusive than the one we forged in 2022, can be cobbled together and lead us to victory in 2028.

I hope I am wrong but Leni's refusal to run, may create a leadership vacuum that I am afraid cannot be adequately filled by other contenders, this in turn could lead to disunity amongst our ranks and the splintering of not just our forces but of all potential allies outside our ranks. The net effect willl be the fielding of various political parties and groups of their respective Presidential bets, further weakening our chances and delivering victory to our adversaries.

We must forge the broadest unity possible for the cause of good governance and win this for our people and work together for a better future for our children.

Para sa bayan.

CENTENNIAL
CORONATION:
OUR LADY OF
MANAOAG
Gabay at Kasaysayan sa Ika-100
Anibersaryo ng Canonical Coronation
BAKIT TINAWAG
NA 'MANAOAG'?
• Mula sa salitang Pangasinense na "Mantaog" o "tumawag."
• Hango sa kuwento ng pagpapakita ng Birheng Maria sa isang magsasaka sa ibabaw ng burol.
• Pinagawa ang simbahan para tawagin ang mga deboto para sa kanyang intercession.
• Tinatawag din siyang "Apo Baket" (Ilocano) o "Inay Puso Mi" (Pangasinense)
ANG MISTERYO
NG IMAHEN
• Gawa sa garing (ivory) ang ulo at kamay; gawa sa hardwood ang katawan.
• Dalawang beses sa isang taon pinapalitan ang damit; inaabot ng 5 buwan ang paggawa sa bawat isa.
• Mahirap itong bihisan dahil sa kakaibang dimension nito (ang sentro ay nasa pagitan ng Birhen at ng Batang Hesus)

PATRONESS NG

+3
• Kilala ang Mahal na Birhen bilang "Patroness of all Call Centers in the Philippines."
• Nakasulat ang "modern title" na ito sa Museo de Nuestra Señora de Manaoag.
• Simbolo ito ng kanyang "pagtawag" (calling) sa lahat ng sektor ng lipunan sa modernong panahon.

⚠️ **Why are many people, both Kakampinks and Loyalists alike, still looking at Leni Robredo as their 2028 candidate despite her saying she won't run? Because both she and Sara have been VPs and Mayors so the comparison is clear: malinis vs corrupt.** 👊

May dalawang kuwento ako tungkol kay Heidi Mendoza na hanggang ngayon, kumakapit sa isip ko. Kasi doon mo makikita na may mga taong matalino na nga, marunong pa magpaliwanag nang hindi ka pinaparamdam na tanga ka.

Una, alam niyang sobrang teknikal ng auditing. Pero para sa kanya, ang sukatan ng tunay na talino ay hindi iyong kaya mong maghagis ng jargon na parang confetti sa seminar. Ang sukatan niya ay simple: kaya mo ba itong ipaliwanag kahit sa helper mo sa bahay hanggang sa maintindihan niya? Kapag oo, saka mo masasabing talagang gets mo ang sinasabi mo, at saka lang ito posibleng maintindihan ng ordinaryong tao. Ganoon siya mag-isip. Hindi para magmukhang matalino, kundi para maging malinaw sa mga tao ang mga usaping may kinalaman sa kaban ng bayan at korapsyon. Bihira iyan sa bansang napakaraming opisyal na parang may allergy sa simpleng paliwanag.

Pangalawa, kapag pagod siya, hindi siya iyong tipong magpapaka-dramatic na parang siya lang ang pasan ang mundo. Pinapaalalahanan pa niya ang driver niya na pagsabihan siya: ako nga,

Pangalawa, kapag pagod siya, hindi siya iyong tipong magpapaka-dramatic na parang siya lang ang pasan ang mundo. Pinapaalalahanan pa niya ang driver niya na pagsabihan siya: ako nga, magko-commute pa nang malayo pauwi, tapos marami pa akong gagawing trabaho. Isang paalala iyon na biglang nagpapaliit sa sarili mong pagod, dahil naaalala mong mas mabigat ang pasan ng napakaraming ordinaryong Pilipino araw-araw. At imbes na huminto, tumutuloy siya.

Iyon ang nakakabilib kay Heidi. Ang talino niya, hindi nakakulong sa itaas. Ang sipag niya, hindi pa-importante. At marahil kaya kapag iniisip ng ilan kung anong klaseng pamumuno ang gusto pa nilang makita sa mga susunod na taon, may isang pangalang kusang bumubulong. Si Heidi Mendoza. Dating COA commissioner, kalaunan ay naging UN Under-Secretary-General for Internal Oversight. Pero higit sa mga titulo, ang mas mahalaga: marunong siyang magpaliwanag pababa, at marunong siyang lumaban pataas kahit pagod na.

ORATIO IMPERATA PARA SA PAGBABALIK NI TATAY DIGONG AT KATAPATAN SA BAYAN

Panginoon, Diyos ng Katotohanan at Katarungan,

Kami ay lumalapit sa Iyo ngayong araw na may pusong puno ng pananampalataya at pag-asa. Sa gitna ng mga pagsubok na kinakaharap ng aming bansa at ng aming mga pinuno, Ikaw ang aming tanging sandigan.

Idinadalangin namin ang aming dating Pangulong Rodrigo Roa Duterte. Ama, Ikaw ang nakakaalam ng bawat sakripisyo at paghihirap na kanyang pinagdaanan para sa kapayapaan at disiplina ng aming bayan. Sa malayo niyang kinalalagyan sa The Hague, pagkalooban Mo po siya ng kalusugan, katatagan ng loob, at kapayapaan ng isip.

Isinasamo namin ang kanyang mabilis na pagbabalik sa aming piling. Dalangin namin na ang katarungan ay manaig laban sa anumang panggigipit ng mga dayuhan. Nawa'y ang aming panawagan na "Bring Him Home" ay dinggin Mo, upang muli niyang maramdaman ang init ng pagmamahal ng sambayanang Pilipino na kanyang pinagsilbihan nang buong tapat.

Basbasan Mo rin ang aming Ikalawang Pangulo, Inday Sara Duterte. Bigyan Mo siya ng karunungan at tapang upang harapin ang mga hamon sa kanyang tungkulin. Nawa'y manatiling buo ang aming pamilya at ang aming paninindigan sa kabila ng ingay at demolition job ng mga kalaban.

Panginoon, hilumin Mo ang aming bansa. Ibalik Mo ang disiplina at malasakit sa bawat isa sa amin. Nawa’y ang dugong Duterte na nananalaytay sa aming mga puso ay maging liwanag tungo sa isang mas maliwanag at ligtas na kinabukasan.

April 22, 2026 14:04

Ito ay aming itinataas sa Iyong banal na pangalan.

Amen.

TRILLANES SA UMANO'Y JOINT BANK ACCOUNTS NG MGA DUTERTE

Sinabi ni dating senador Sonny Trillanes na nasa higit P2.4 billion ang dumaloy o naideposito sa umano'y joint bank accounts nina dating pangulong Rodrigo Duterte at Vice Pres. Sara Duterte.

"Si Rodrigo Duterte at ang kanyang pamilya, ay may mga joint bank accounts na may bilyun-bilyon na dumaloy na pera," saad sa affidavit ng dating senador sa pagpapatuloy ng pagdinig ng House Commitee on Justice.

"Sa aming pagsusuma, lumabas na may kabuang halaga naP2,407,272,103.75," dagdag niya.

Rodrigo Duterte at Sara Duterte para sa mga kaukulang panahon;
8. Nang makumpirma ko na totoo ang hawak kong mga dokumento, nagpasya akong isapubliko ang nasabing impormasyon dahil naniniwala akong mahalagang malaman ng ating mga kababayan ang pagpapanggap na ginagawa ng pamilya Duterte – na ang kanilang pamilya raw ay mahirap at namumuhay nang simple – gayong sa katotohanan, si Rodrigo Duterte at ang kanyang pamilya, ay may mga joint bank accounts na may bilyun-bilyon na dumaloy na pera.
9. Humingi ako ng tulong sa mga accountants at finance specialists upang alamin at makwenta kung gaano karaming pera ang aktwal na naideposito o dumaloy sa mga nasabing joint bank accounts ng mag-amang sina Rodrigo Duterte at Sara Duterte, base sa mga dokumentong ibinigay sakin. Sa aming pagsusuma, lumabas na may kabuuang halaga na Php2,407,272,103.75

JUST IN: The Supreme Court has directed President Ferdinand Marcos, Jr. to submit his comment within 10 days on a petition seeking to compel him to undergo physical and mental examination, including a hair follicle drug test.

The April 10 petition, filed by retired military personnel, seeks the release of medical reports to confirm the President's fitness and was lodged days before he appeared in Malacañang, jogging and doing jumping jacks while dismissing health rumors.

Executive Secretary Ralph Recto was also named as a co-respondent and has been similarly directed to submit a comment. | via Erika Sinaking/BusinessWorld

PETISYON PARA SA MEDICAL EXAM NI PRES. MARCOS JR., INIHAIN SA SC

Naghain si dating House speaker Pantaleon Alvarez ng petition for writ of mandamus sa Korte Suprema para atasan si Pres. Bongbong Marcos na sumailalim sa physical at mental examination, kabilang ang hair follicle drug test.

Layon din ng petisyon na ipa-disclose kay Pres. Marcos Jr. ang medical report na naglalaman ng resulta ng examination, kabilang ang kumpirmasyon ng kaniyang physical at medical fitness para mamuno bilang Pangulo.

Binigyan ng Korte ng 10 araw ang respondents sa petisyon na magsumite ng kanilang komento. | via Camille Samonte

While listening to the AMLC report on Sara Duterte and Manases Carpio, I keep thinking about former Deputy Ombudsman Arthur Carandang. Years ago, he talked about bank documents on the Duterte family that showed huge transactions which did not seem to match what appeared in their SALNs, and he ended up suspended and then dismissed for it.

Now the AMLC itself is in the House, on record, flagging around ₱6.77 billion in covered and suspicious transactions linked to the sitting vice president and her husband. Same surname, same tension between bank records and declarations, pero this time binabasa na nang malinaw sa mikropono, hindi chismis sa gilid. It feels less like a brand-new revelation and more like the country finally catching up to what Carandang tried to point to years ago.

Sir Arthur, we owe you. You were suspended and pushed out for pointing at bank records that didn't sit right beside the SALNs, and now the same kind of records are being read line by line in Congress as serious evidence. The country never protected you when it mattered, but every time AMLC figures like these surface, it feels like the story is slowly circling back to your side.

'ANSWER IS NOT REQUIRED, IT IS JUST A MANIFESTATION'

Ito ang sagot ni House Justice Committee Chairperson Rep. Gerville Luistro kaugnay sa tanong ni SAGIP Party-list Rep. Paolo Marcoleta kung maituturing bang labag sa batas ang "suspicious transactions" ni Vice Pres. Sara Duterte.

Saad ni Rep. Luistro, hindi ito nangangailangan ng sagot dahil ito ay isang manifestation at hindi miyembro si Rep. Marcoleta ng House Committee on Justice.

"If I require an answer, then I am allowing you already to raise a clarificatory question," saad ni Rep. Luistro sa impeachment hearing laban kay VP Sara ngayong Miyerkules, April 22.

REP. MARCOLETA
I will just paraphrase it into a manifestation... I take it to mean na 'pag suspicious 'yung transaction, ibig bang sabihin, ilegal o unlawful na?
REP. MARCOLETA
Kapag ito'y tinag na suspicious, agad-agad itong pini-prejudge na as if it's an illegal o unlawful transaction.
REP. LUISTRO
That is a manifestation which does not require any answer... Because you are not a member of the justice committee.

Kung siguradong ma-i-impeach na si VP Sara sa Kamara, bakit pa nila kailangan ituloy ang mga hearing? Ano pa ang silbi nito kung tila napako na ang desisyon?

JOINT ACCOUNT NI VP SARA, DIGONG KUNG SAAN NAG-DEPOSIT SI REP. CENDAÑA, PAREHAS SA NASA AFFIDAVIT NI TRILLANES

Sinabi ni Akbayan Rep. Perci Cendaña na nag-deposit siya ng P448 sa joint bank account ni Vice Pres. Sara Duterte at dating pangulong Rodrigo Duterte nitong Martes, April 21.

Sa pagdinig ng House justice panel, pinakumpirma ni Cendaña kay dating senador Sonny Trillanes kung magkapareho ang account na pinag-deposit-an ng kongresista ng pera sa account na nakasaad sa sinumpaang salaysay ni Trillanes.

“Yes, I confirm your honor, that this is the same account of Sara and Rodrigo Duterte,” pagkumpirma ni Trillanes.

Isinumite ni Cendaña ang deposit slip sa komite bilang bahagi ng proceeding ngayong araw.

Mga DDS,

Hindi kasalanan ang magkamali sa pagpili ng pinaniwalaan. Ang kasalanan ay iyong kitang-kita mo nang may mali, pero pinipili mo pa ring magbulag-bulagan dahil lang ayaw mong mapahiya. Walang kahihiyan sa pag-amin na naloko ka. Sa totoo lang, mas marangal pa iyon kaysa ubusin ang dignidad mo sa pakikipagmurahan at pag-iimbento ng palusot para sa isang pamilyang politikal na hindi naman kailanman mangungutang ng hiya para sa iyo.

At totoo lang, marami sa atin ang nagkasakitan na rin dahil dito. May mga pagkakaibigang nasira. May mga pamilyang nagbanggaan. May mga salitang nasabi na hindi na dapat nasabi. Kahit ako, nakipag-away rin. Nakapagbitaw rin ng mga salitang hindi magaganda. Kaya hindi ito sulat ng taong nagpapanggap na malinis ang kamay. Sulat ito ng taong alam kung gaano kadaling lamunin ng galit, pride, at panig ang isip ng tao.

Ito ang kailangan ninyong harapin nang walang script, walang sigaw, at walang meme: bilyon-bilyong transactions ang pinag-uusapan. Transactions pa lang iyan. Hindi pa buong bank accounts. Hindi pa buong financial picture. Hindi pa buong galaw ng buong pamilya. Kung sa preview pa lang, ganito na kalaki ang numero, gaano pa kalaki ang kuwentong ayaw pa ninyong buuin sa harap ng sarili ninyo? Kapag ganyan kalaki ang flow ng pera, hindi sapat ang “maniwala lang.” Lalong hindi sapat ang mura bilang depensa. Ang kailangan diyan ay malinaw na paliwanag. Papel. Record. Sagot. Hindi hysterical loyalty.

Iyan ang problema sa fanaticism. Hindi na iyan simpleng suporta. Iyan na iyong punto na nawawala ang pare-pareho mong sukatan ng tama at mali. Kapag kalaban ang sangkot, gusto mo ng imbestigasyon. Kapag idolo mo ang sangkot, biglang persecution. Kapag iba ang may kahina-hinalang record, ebidensya iyan. Kapag kampo mo, conspiracy raw. Hindi na iyan paninindigan. Muscle memory na iyan ng panatismong takot mapahiya. Reflex na iyan ng utak na mas sanay magtanggol kaysa magtanong.

04/22/2026 09:50:11 PM

Iyan ang problema sa fanaticism. Hindi na iyan simpleng suporta. Iyan na iyong punto na nawawala ang pare-pareho mong sukatan ng tama at mali. Kapag kalaban ang sangkot, gusto mo ng imbestigasyon. Kapag idolo mo ang sangkot, biglang persecution. Kapag iba ang may kahina-hinalang record, ebidensya iyan. Kapag kampo mo, conspiracy raw. Hindi na iyan paninindigan. Muscle memory na iyan ng panatismong takot mapahiya. Reflex na iyan ng utak na mas sanay magtanggol kaysa magtanong.

At huwag nating lokohin ang isa’t isa: marami sa inyo hindi naman bobo. Marami sa inyo napagod lang, nagalit lang, umasa lang. May hinanap kayong lider na mukhang matapang, direkta, at kayang wasakin ang bulok na sistema. Naiintindihan ko iyan. Pero may punto sa buhay ng mamamayan na kailangan niyang aminin na puwedeng ang inakala niyang pandurog ng bulok ay naging isa rin pala sa mga benepisyaryo nito. Hindi kabawasan sa pagkatao ang umurong sa maling paniniwala. Ang tunay na kabawasan sa pagkatao ay iyong alam mo nang may butas, pero mas pinili mong depensahan ang apelyido kaysa ang katotohanan.

At hindi, hindi mo kailangang maging dilawan, NPA, makakaliwa, o kakampink para lang amining may mali. Isa iyan sa pinakamatandang panloko sa pulitika: kapag wala nang matinong depensa, tatatakan ka na lang para hindi na sagutin ang tanong. Para bang dalawa lang ang puwedeng maging Pilipino: bulag na tagapagtanggol o awtomatikong kaaway. Hindi ganyan kaliit ang mundo. Puwede kang simpleng mamamayan na may isip. Puwede kang tumingin sa ebidensya nang hindi kailangang lumipat ng kulto. Puwede kang magsabing “may mali rito” nang hindi sumasamba sa kabilang kampo. Hindi ka traydor dahil nagtanong ka. Nag-iisip ka lang. At sa panahong ito, mukhang iyan pa nga ang pinakaayaw ng mga sanay sa bulag na pagsunod.

Hindi ninyo kailangang maging keyboard bodyguard ng isang dinastiya. Hindi ninyo kailangang magpakadalubhasa sa palusot para lang iligtas ang pride ninyo. Walang medalya sa pagtatanggol sa makapangyarihang apelyido. Ang premyo lang diyan: kayo ang napupuyat, kayo ang nakikipagbardagulan, kayo ang nagmumukhang katawa-tawa, habang sila nananatiling makapangyarihan, protektado, at komportable. Walang moral award sa pagsalo ng propaganda. At lalong walang kabayanihan sa pakikipag-away para sa mga taong, kapag kayo ang naipit sa bulok na sistema, hindi naman mauunang makipagbangayan para sa inyo.

04/22/2026 09:50:15 PM

Ang mahirap lang tanggapin minsan, kapag umamin kang mali ka, para mo na ring inaamin na may mga panahong naloko ka, may mga kaibigang naaway ka, may mga katotohanang tinanggihan ka, lahat para ipagtanggol ang isang naratibong ngayon ay unti-unti nang nalalaglagan ng pintura. Masakit iyon. Nakakahiya iyon. Pero mas nakakahiya ang kitang-kita nang may usok, tapos todo depensa ka pa rin na walang sunog. Mas nakakahiya ang harap-harapan ka nang niloloko ng numero, pero ang pinili mo pa ring protektahan ay ego mo.

Hindi pagtataksil ang paggising. Hindi kahinaan ang pag-amin. Ang tunay na pagtataksil ay iyong nakita mo na ang usok, pero ipinilit mo pa ring ambon lang iyon. At minsan, ang unang hakbang ng paggising ay ang pag-amin na oo, lahat tayo nagkasakitan; oo, may mga salitang hindi na mababawi; pero hindi ibig sabihin niyan kailangan nating maghukay pa nang mas malalim para lang ipagtanggol ang isang kasinungalingan. Ang trabaho ng mamamayan ay hindi sumamba. Hindi maghanap ng script. Hindi magbantay ng comment section na parang personal na security guard ng apelyido. Ang trabaho ng mamamayan ay maningil, magtanong, magkumpara, at tumangging magpakatanga para sa sinumang nasa kapangyarihan.

04/22/2026 09:50:18 PM

AMLC CONFIRMS VP SARA'S BANK TRANSACTIONS MENTIONED IN TRILLANES' AFFIDAVIT

Kinumpirma ng Anti-Money Laundering Council (AMLC) ang ilan sa mga bank transaction ni Vice Pres. Sara Duterte na nakasaad sa annexes ng sinumpaang salaysay ni dating senador Sonny Trillanes.

Sa pagdinig ng House Committee on Justice, pumili si Mamamayang Liberal Rep. Leila de Lima ng random entries upang itanong kung nasa report din ito ng AMLC.

Nasa 18 transactions ang kinumpirma ng AMLC sa mga kaparehong araw kaugnay nito.

Sabay ang paggulong ng impeachment ni VP Sara at ang paglilitis ng ICC kay Duterte. Justice and accountability are on track both at the House and the ICC.

Sa pamamagitan ng AMLC report, lalong tumibay ang basehan ng impeachment ni VP Sara at paglatag ng malakas na ebidensya sa Senado.

Sa pagbasura naman ng apela ni Duterte sa issue ng jurisdiction sa ICC, wala na ring balakid sa nalalapit na desisyon ng ICC pre-trial chamber sa confirmation of charges laban sa dating Pangulo.

Slowly but surely, impunity is becoming a thing of the past.

LOOK — This photograph of the interior of the church of Cabatuan, Iloilo, taken by Dean Conant Worcester circa 1890–1913, is particularly intriguing. The detail I marked with a red rectangle appears to show the symbol of the Order of Saint Augustine, fitting since the church was built during the time of Fr. Ramon Alquezar, OSA, parish priest from 1833 to 1863. However, I do not recall seeing this feature in the church. It resembles a tomb.

I do, however, remember the iron pews, which – as far as I can recall from attending Mass there – were placed along the right and left transepts of the church, while wooden pews occupied the nave.

Take note, too, of the balustraded gallery encircling the dome's drum, the chandelier, and the painted ceiling above. The dome of the Cabatuan church later collapsed in the 1948 earthquake.

TRILLANES: MAYROON UMANONG TRANSFERS SA MGA ACCOUNT NA INIUUGNAY SA PAMILYA DUTERTE

Naging bahagi ng pagdinig ng House Committee on Justice ang mga pahayag ni Antonio Trillanes IV kaugnay ng umano'y financial transactions na iniuugnay sa pamilya Duterte.

Ayon kay Trillanes, may halagang ₱53,276,860.55 na umano'y pumasok sa isang joint account na iniuugnay kina Veronica "Kitty" Duterte at Honeylet Avancena, na sinasabing nagmula sa isang indibidwal na tinukoy bilang si Sammy Uy.

Dagdag pa niya, may iba pang umano'y transaksyon na kinasasangkutan ng ibang miyembro ng pamilya, na aabot sa kabuuang halagang ₱181,653,487.36. Ibinahagi rin ni Trillanes ang alegasyon na ang nasabing indibidwal ay may malapit na ugnayan kay Rodrigo Duterte.

🚨LIVE: Trillanes shows the original documents given to him by his informant.

Ganyan kahaba and continuous (walang putol) ang original na document na binigay kay Sonny Trillanes ng kanyang informant na si Joseph De Mesa NUON PANG 2016.

Kaya talagang totoo ang hawak ni Trillanes – ganyan ang records na meron pag binubusisi ang transaction history ng isang tao.

2016 pa yan sinisigaw ni Trillanes pero dahil madaming sipsip at balimbing na mga pulitiko nuon na takot na takot kay Katay Digong eh walang naniniwala sa kanya nuon except mga onting supporters tulad namin.

Ngayong nasa The Hague si Duterte, mas malaya na tayong lahat na i-appreciate ang katotohanan.

Thank you sa walang sawang pakikibaka, Sen Tri. 👊
